Job Summary	➢ We are seeking a qualified and detail-oriented professional to handle Transaction Advisory Services. The role involves managing corporate transactions, due diligence, compliance, regulatory filings, and secretarial functions while supporting strategic business initiatives such as mergers, acquisitions, fundraising, joint ventures, and restructuring. The ideal candidate will possess strong analytical, legal, financial, and corporate governance expertise.
Key Roles & Responsibilities	➢ Assist in financial analysis, modeling, and valuation exercises ➢ Support preparation of Information Memorandums, pitch decks, and financial reports ➢ Conduct preliminary due diligence (financial, legal, and compliance data review) ➢ Research industry trends, benchmarks, and comparable transactions ➢ Assist senior team members in M&A, fundraising, and investment advisory assignments ➢ Preparation and review of transaction documents such as Share Purchase Agreements, Shareholders' Agreements, Project Development Agreements, and other transaction-related legal documentation.
Company Secretary Functions	➢ Prepare, review, and file statutory returns, forms, and disclosures with MCA/ROC and other authorities. ➢ Maintain statutory registers, minutes books, records, and corporate documentation in accordance with regulatory standards. ➢ Organize and coordinate Board Meetings, Committee Meetings, AGM/EGM, including logistics and documentation. ➢ Draft board resolutions, notices, agendas, minutes, and other governance documents.

	➢ Monitor and track compliance calendars, statutory deadlines, and regulatory filings. ➢ Liaise and correspond with regulatory authorities such as ROC, MCA, SEBI, and other statutory bodies. ➢ Support corporate governance initiatives and ensure adherence to internal policies and legal requirements. ➢ Assist in corporate actions including share allotments, transfers, capital restructuring, and restructuring transactions. Support drafting, review, and maintenance of corporate documents, agreements, and disclosure
Salary	1. During Internship 20 K (per month) 2. Min 6 Lakhs Onwards *(Based on interview performance)*
